GENERAL SALE INFORMATION

Time and Place — Monday, October 21st, 1:00 p.m. Mountain Daylight Time at the Airdrie Central Auctions, Airdrie, Alberta, 15 miles north of Calgary Airport on Highway No. 2.

Air Service—Calgary International Airport is serviced by 6 major airlines.

Hotel Accommodation — Sale headquarters will be at the Cross Roads Motor Hotel, 21210 16th Ave. N.E. Calgary, phone 403-277-0161. This hotel is located close to the airport and at the Junction of Highways 1 and 2, convenient for getting to the Airdrie Central Auction Mart.

Terms — Terms are cash or cheque unless otherwise arranged for.

Free Delivery — On four or more head to central points within Canada and continental United States. Buyers may pool their purchases in order to make up the four head for free delivery. We will co-operate in any way possible for those that have purchased a lesser number. We would ask that purchasers insure their cattle as cattle are at their risk as soon as sold.

Transfer of Pedigrees — The buyers will be provided with a pedigree properly transferred on the books of the Canadian Shorthorn Association. Further transfer to the Herd Books of other countries will be at the buyer's expense.

Guarantee — The contributors to this sale stand fully behind the cattle offered in this sale. All animals over one year of age are guaranteed to be breeders. Should an animal prove to be a non-breeder it is to be returned to the contributor and an animal of equal

value will be exchanged or the purchase price refunded. All bred females will be pregnancy examined ahead of the sale.

Insurance — Cattle are at the buyer's risk as soon as sold. Every precaution will be taken to see that the purchases are well cared for until delivered or picked up. Insurance will be available at the sale from Lloyds for full coverage against mortality from any cause. We request that all cattle that are being left or delivered be insured by the purchaser.

Health — Cattle will be sold in compliance with the health laws of the province of Alberta. The herds and in T.B. Restricted and Bangs Control Areas. All necessary tests for export will be attended to by the contributors and the cattle are all guaranteed to pass these tests.

Representatives — Howard Byers, Alberta Shorthorn Association, 6131-138th Avenue, Edmonton, Alta, phone 403-476-2167; Stuart Wilson, The Shorthorn World, Box 158, 200 Split Rock Boulevard, Brandon, South Dakota, 57005, phone 605-582-6013; Bert Pepper, Canadian Shorthorn News, Guelph, Ontario.

Telephone — Sale day will be Airdrie Central Auction Mart. 238-5915 or 238-5454 (Area Code 403)

The cattle will be on display all day Sunday and anyone wanting to be picked up at the Cross Roads Hotel or the airport on Sunday or Sale Day is asked to phone the numbers above.

PLAN TO ARRIVE EARLY SALE DAY AND BE OUR GUESTS
FOR DINNER COMMENCING AT 11:30 A.M.

A "M.A.D." production sale

A NOTE ON THE CONTRIBUTORS!

MIAMI — Rod McKenzie's family came to Mountain View in 1898 and got their first purebred Shorthorns in 1906. While they didn't keep them registered, they did use Shorthorn bulls in their commercial herd from then on, selling three year old grass fat steers right up until recent years. Rod got his first purebred in 1947 and has bred Shorthorns since that time, going Polled in 1958. He started showing in 1971 and has exhibited successfully at Calgary Stampede, Vancouver P.N.E. Toronto Royal Winter Fair, Regina Canadian Western Agribition plus Regional Shows and Fairs. His cattle have been in the Championships at all these shows because Rod strived from the beginning to produce straight lined, good legged, trim, tall cattle. This right kind of Shorthorn raised under normal range conditions in this ranching area, plus Rod's faith in the breed, will do much to keep Shorthorns in business as the world's most useful breed of cattle.

ALTA CEDAR — Four generations of Boakes have been in the Shorthorn business in Alberta starting about 1918. Bill and his family moved to this farm about six years ago and have developed a beautiful place designed for the production of good Shorthorns. They started with home bred cattle and were fortunate to add to their herd cows from W. O. Hanson's Windyway dispersion and from the Malhiots of Montmartre, Sask. They have been breeding the bigger, growthier, stretchier cattle sired by their BANNER ROYAL OAK X who was undefeated at 12 shows in 1971 and was Grand and Supreme Champion at Toronto Royal, Reserve Grand

at Agribition and Grand and Supreme at Vancouver P.N.E. His sons and daughters have been shown the last two years and have included Supreme Champion at Calgary in 1973 and Grand in 1974 as well as Grand Champion at Regina and Lethbridge. At the recent Vancouver P.N.E. they had Senior and Grand Champion female and won the Premier Breeder banner. Buying Alta Cedar cattle will do much to keep you in the running with Shorthorns.

DURALTA—Dave and Pat Durie are new to the Shorthorn world but what an impact they have made in a short span of years! Commencing with a herd they leased from R. K. Hughes, Lavoy, in 1963 and purchased in 1965, they produced the Senior Champion at Edmonton in 1966. They have had either a Champion or a top selling bull, or both, at Edmonton since then. In 1971 they made their first trip to the Royal Winter Fair, Toronto, and were awarded both Premier Breeder and Premier Exhibitor Banners. That group was sired by Lodge Pine White Cloud, sire of several cows in this sale. They showed at the Royal again in 1972 and 1973 and also the Canadian Western Agribition in 1971-72-73 and won Grand Champion Female Banner with their entry in the Cow-Calf class—both the cow and her calf are in this sale. A Duralta cow was selected by the Canadian Joint Beef Breeds Association to represent Canadian cattle at the Las Vegas Cattlemen's Expo. Durie's consignment leans heavy to producing cows that will be a credit to any herd. Be sure you see them.

We had Bert Pepper look all over Ontario for a good polled dual bull for us and here he is. He is a very straight line bull, set on great legs, and very trim and tall. We are grateful to Bert for finding a bull like this for us, I am sure that dual bulls like this can make 'believers' in Shorthorns out of many people.

HERD SIRE

FOR REFERENCE ONLY

BLUE ROCK ROAN CHIEF

The first dual bull that I bought in Ontario. Many people laughed at he and I on that trip home but I think he has shown them that they were judging him too fast. In the last two years our show string has been made up of his sons and daughters. I know that he will keep making them eat their words in the years to come because of the great job his females are doing. I am only happy that he came West on that trip and that I owned him. Pedigree is away at Omaha with application for registry in the American Herd Book.

This will be one of the first daughters of Super Flag to sell at Auction. So you set the value of her. The only reason that she is in this sale is to show you that we are offering cattle right off the top of our herds. She is the only heifer I got out of Super Flag this year and I hate to part with this great female. To the one buying this heifer, I will trade you any 1974 heifer I have at home for her if you want to.

We purchased Shannondole from Al Plante of Fairview Alberta in the fall of 1972 as a 3½ year old. He was bred by Roy Sterling of Fairview. Shannondole is by Pine Grove Roan Commando the bull that Mr. Sterling purchased from the Dave Ball Dispersal in 1965. Roan Commando is by Shadybrook Commando 55th X384701 from the B. A. Hansen herd from the U.S.A. Shadybrook Commando 55th is also the sire of our big cow Commando's Goldie 17th who we showed very successfully last summer.

Shannondole weighed 2130 at 4 years and has grown some since. He is one of the easiest fleshing bulls we have ever had.

We are showing this bull this summer and he has placed well in his class at all shows. He was champion at the Stettler fair. We would like to keep show rights until after the Canadian Western Agribition Regina. His dam Commando's Goldie 17th is a very long tall smooth cow weighing over 1700 lbs. His full brother Duralta Supreme 34C was reserve champion bull at the Canadian Western Stock Show and Sale in Edmonton in 1973 and sold for \$1700.00 to Harry Haydon of Viking Alberta.

A NOTE ON THE CONTRIBUTORS!

MIAMI — Rod McKenzie's family came to Mountain View in 1898 and got their first purebred Shorthorns in 1906. While they didn't keep them registered, they did use Shorthorn bulls in their commercial herd from then on, selling three year old grass fat steers right up until recent years. Rod got his first purebred in 1947 and has bred Shorthorns since that time, going Polled in 1958. He started showing in 1971 and has exhibited successfully at Calgary Stampede, Vancouver P.N.E., Toronto Royal Winter Fair, Regina Canadian Western Agribition plus Regional Shows and Fairs. His cattle have been in the Championships at all these shows because Rod strived from the beginning to produce straight lined, good legged, trim, tall cattle. This right kind of Shorthorn raised under normal range conditions in this ranching area, plus Rod's faith in the breed, will do much to keep Shorthorns in business as the world's most useful breed of cattle.

ALTA CEDAR — Four generations of Boakes have been in the Shorthorn business in Alberta starting about 1918. Bill and his family moved to this farm about six years ago and have developed a beautiful place designed for the production of good Shorthorns. They started with home bred cattle and were fortunate to add to their herd cows from W. O. Hanson's Windyway dispersion and from the Malhiots of Montmartre, Sask. They have been breeding the bigger, growthier, stretchier cattle sired by their BANNER ROYAL OAK X who was undefeated at 12 shows in 1971 and was Grand and Supreme Champion at Toronto Royal, Reserve Grand at Agribition and Grand and Supreme at Vancouver P.N.E. His sons and daughters have been shown the last two years and have included Supreme Champion at Calgary in 1973 and Grand in 1974 as well as Grand Champion at Regina and Lethbridge. At the recent Vancouver P.N.E. they had Senior and Grand Champion female and won the Premier Breeder banner. Buying Alta Cedar cattle will do much to keep you in the running with Shorthorns.

DURALTA Dave and Pat Durie are new to the Shorthorn world but what an impact they have made in a short span of years! Commencing with a herd they leased from R. K. Hughes, Lavoy, in 1963 and purchased in 1965, they produced the Senior Champion at Edmonton in 1966. They have had either a Champion or a top selling bull, or both, at Edmonton since then. In 1971 they made their first trip to the Royal Winter Fair, Toronto, and were awarded both Premier Breeder and Premier Exhibitor Banners. That group was sired by Lodge Pine White Cloud, sire of many cows in this sale. They showed at the Royal again in 1972 and 1973 and also the Canadian Western Agribition in 1971-72-73 and won Grand Champion Female Banner with their entry in the Cow-Calf class — both the cow and her calf are in this sale. A Duralta cow was selected by the Canadian Joint Beef Breeds Association to represent Canadian cattle at the Las Vegas Cattlemen's Expo. Durie's consignment leans heavy to producing cows that will be a credit to any herd. Be sure you see them.
